## Position Overview

The Groundsman Technician is an entry-level position in the Electric Division that provides critical support to line crews during construction, repair, and maintenance of the Town's electrical distribution and traffic signal systems. This position offers a career pathway toward becoming a certified lineman and includes hands-on experience with the tools, equipment, and procedures used by line workers.

## Essential Duties and Responsibilities

- Assists linemen by preparing, loading, and organizing materials and tools.
- Operates line construction equipment including digger derricks, tampers, and pulling devices.
- Participates in pole installation, setting anchors, tamping, and backfilling.
- Strings wire, pulls conductors, and handles cable reels.
- Assists with installation and maintenance of traffic signal systems and control cabinets.
- Keeps job sites organized, clean, and stocked.
- Performs traffic control and flagging during line work and outages.
- Conducts pre-trip inspections on vehicles and minor maintenance on assigned equipment.
- Responds to outages and emergencies as part of the division's on-call rotation.
- Complies with all electrical safety standards and procedures in accordance with APPA, OSHA, and NESC guidelines.

## Required Knowledge, Skills, and Abilities

- Working knowledge of power line construction materials, safety gear, and hand tools.
- Familiarity with basic traffic signal systems and roadside work safety protocols.
- Ability to follow verbal and written instructions, work at heights, and perform physically demanding tasks.
- Ability to remain calm in high-risk environments and function as part of a coordinated team.

- Willingness to develop lineman and traffic signal technician skills through formal training programs.

### **Career Path & Training Requirements**

- Pole Top Rescue Certification within the first 6 months (5-minute minimum rescue time).
- North Carolina Class A CDL license obtained within 6–12 months of hire.
- IMSA Traffic Signal Technician Level I Certification obtained within 12 months of hire.
- IMSA Traffic Signal Technician Level II Certification obtained within 24 months of hire.
- Siemens Online Quick Step Training in basics of electricity, signal operations, programming, cabinet component identification and other trainings completed as assigned.
- Must complete required modules in the ElectriCities Lineworker Career Development Program or similar approved apprenticeship track.

Failure to meet the training standards within established timeframes may result in disqualification from continued employment in the Electric Division.

### **Physical and Environmental Conditions**

- Work involves heavy physical labor, climbing poles, and working around energized equipment.
- Frequent exposure to extreme temperatures, high-voltage environments, inclement weather, noise, dust, and chemicals.
- Must be able to lift 50+ lbs, kneel, crawl, reach overhead, and work in confined spaces.
- Must wear all assigned PPE, including arc-rated gear, gloves, hard hat, eye protection, and fall protection.
- The job may risk exposure to bright/dim light, dusts and pollen, extreme heat and/or cold, wet, or humid conditions, extreme noise levels, vibration, fumes and/or noxious odors, traffic, moving machinery, electrical shock, toxic/caustic chemicals, disease / pathogens.

### **Sensory Requirements**

- The job requires normal visual acuity and field of vision, hearing and speaking abilities, and depth perception.

### **Minimum Qualifications**

- High school diploma or GED.
- Experience with construction or electrical utility work preferred but not required.
- Must pass a pre-employment drug screening and background check.
- Must reside or relocate within 30 miles of Waynesville town limits within 6 months of hire.

### **Equal Employment Opportunity & ADA Compliance**

The Town of Waynesville is an Equal Opportunity Employer. Reasonable accommodations will be provided in accordance with the Americans with Disabilities Act (ADA). Prospective and current employees are encouraged to request accommodations as needed.

*The Town of Waynesville has the right to revise this job description at any time. This description does not represent in any way a contract of employment.*
