BUDGET MESSAGE

2019-2020

May 28, 2019

The Honorable Mayor and Members of the Board of Aldermen Town of Waynesville

Dear Mayor and Board Members:

In accordance with the provisions of the North Carolina General Statutes, your staff presents the proposed Municipal Operating and Capital Budget for Fiscal Year 2019-20.

In 2019-20 the staff is continuing its very conservative approach to preparing our annual budget proposal. We do not recommend an ad valorem tax increase and use a small allocation of fund balance which we believe we will make up in savings during the year. Despite dramatic increases in employee health care and retirement and implementation of another year of "career track" the budget shows a \$1,145,485 or a (3.52%) decrease over the current amended budget. We are recommending the replacement of vehicles based on their condition rather than replacement mileage. We are requesting a new entry level police officer position due to an increase is call volume. Patrol shifts of four officers are answering over 33 calls for service per shift. Many of the calls require multiple officers which is leading to increased response time. The Department will move one officer from the TAC unit to further increase the patrol division. Our current year budget is functioning as designed and we expect to modestly increase our savings.

During our 2018 winter retreat the staff presented a plan that would carry the town for the next five years. The plan recognizes that the Town will not receive 7% annual growth in property tax base that it enjoyed through the 1990s and until the recession of 2008. The Plan utilizes most of the funds freed up from paying off Town debt to cover inflationary increases in the Town's budget and modest salary increases. Over the next three years the Town should receive some increase in ad valorem valuation due to new construction projects being completed and increases from the quadrennial revaluation. The combination of new and increased ad valorem valuation and additional revenue alternatives should be available to the Board to help keep increases in the Ad Valorem tax rate to a minimum.

Mr. Caldwell uses local historic trends and Statewide models provided by the North Carolina League of Municipalities to estimate our revenues for the upcoming year. We depend on spending patterns from the current year and industry predictions for items such as fuel and chemicals to estimate our consumption costs. Our capital program in the General Fund is restricted to replacing expensive heating and air units in buildings, park improvements and vehicles.

Budget Outline

The Town Board serves as the Board of Directors of a Town that operates six separate businesses. The Finance Department keeps a separate set of books for each fund. We charge one fund for services delivered by another fund to ensure that we have a true account of their activities. For FY 19-20 we recommend a total for all funds of \$31,418,170 a (3.49%) decrease over 2018-19.

Personnel

The largest General Fund expense for local governments is personnel. Over seventy percent of the General Fund Budget funds the Town's staff. General Fund employees spend most of their work days performing services for individual citizens. The face to face nature of their work it is critical that the Town attract, train and retain a workforce that understands their jobs and provides service in a professional and personable manner. This is especially difficult to carry out in our area due to the high cost of living and low unemployment rate. The Board has wisely established an employee benefit program that rivals any local government in North Carolina. The challenge for the Town is to continue funding the employee's salaries and benefits when the cost of living is rising faster than the Town's tax base. In the upcoming year we are faced with two mandated costs that increase our personnel costs considerably, employee health insurance and an increase in NC Local Government Retirement contributions. The proposal that is before you include a 26.2% increase in employee health insurance premiums and a 1.2% increase in NCLGRS. In the General Fund alone the cost of retirement and health care adds \$398,240 to the General Fund. These increases have

Page 3. 2019-20 Budget Message

been offset by reductions in operating, capital, loan payments and internals service costs spending so that you will find a net decrease (\$302,305) in total General Fund spending. The staff requests the addition of a single-entry level patrol officer position to address increases in call volume experienced over the past two years. The team also recommends the reclassification of the Town Clerks position to a pay class of 17. This most accurately reflects the Clerks position within the classification plan. We recommend that the Board fund "Career Track" at a 1.5% level for the upcoming year.

Insurance

The Town's medical loss ratio (premiums versus claims paid) increased from 86.5 to a high of 161.0 over the past year. BCBS requested a 45.6% increase in rates for the upcoming year. Through our broker, we negotiated with BCBS and were able to reduce their request to a 26.2% increase. This amounts to a town wide increase of \$498,000 in rates for 2019-20 to cover our employees and retirees. We have dedicated the majority of our new General Fund revenue to accommodate the increase without having to reduce benefits to the staff. In the coming year we will need to make every effort to reduce our costs to avoid another increase. We will continue to offer a \$500 out of pocket deductible per employee and another \$1,000 for family plans. The Town will continue to provide a \$4,500 health savings account to its employees and dependents.

Rates and Fees

The proposal is balanced with a tax rate of \$.4957 per \$100 valuation. The combined collection rate is predicted to be 96.22%. One penny on the tax rate is estimated to yield \$115,270. Waynesville's tax base (real property, personal property and motor vehicle) is estimated to be \$1,198,298,030, a decrease of \$7.7 million dollars compared to 2018-19 estimated actual. The growth in tax base is (.64%) lower than last year estimate.

The assessed value of the Downtown Tax Service District is estimated to be \$51,079,230. We recommend continuing the current tax rate of \$.20 per \$100 valuation for FY19-20. The rate is estimated to raise \$99,930 for the Downtown Service District at a collection rate of 97.82%. One penny on the tax rate is estimated to equal \$4,996.

Capacity Use Fees

The Town adopted a new schedule of "capacity use fees" last year based on a study mandated by the General Assembly (HB 436). We have reviewed our capital needs and weighed them against the Town's need to keep its cost of service affordable and do not recommend an increase for the 2029-20 fiscal year. As the Town moves into its renovation of the waste treatment plant and major outfall lines it will recalculate the

Page 4. 2019-20 Budget Message

Capacity Use Fees for sewer treatment to reflect the new debt that will be repaid over the next 20-40 years. Capacity Use is based on the premise that users of a waste treatment system purchase a portion of the total six-million-gallon capacity of the plant and they should pay a portion of the debt of that facility through a fee based on their projected use. The fees that the Town Board adopted are below the "upper limit" of fees the Study indicates could be charged. The Capacity Use Fee Schedule that we recommend represent a "single fee system". The Capacity Use Fees that intown and out of town are the same.

General Fund

We recommend a General Fund Budget of \$15,147,270, a (1.96%) decrease from the previous year. The Budget Team does not recommend an increase in ad valorem taxes for FY 2019-20. We recommend continuation of a \$15 vehicle tax. \$5 of that tax will be targeted at funding the Police Department and \$10 will be used to fund the street maintenance. This tax generates the equivalent of 1 cent on the Ad Valorem Tax Rate. The major increase in General Fund revenues are funds freed up by payoff of the existing General Fund Debt. Most of that increase provides the Town with the income needed to fund a 26.2% increase in health insurance premiums and a 1.2% increase in retirement contributions. The budget also provided Department Heads with a "Career Track" fund of "up to" 1.5% salary increase for those employees that fulfil the requirements of their positions. We recommend an overall (.46%) decrease in operations. Our approach is to fund accounts at the same level or lower than the previous year unless we find that a major component of a line item has changed such as fuel, or chemical costs. We request that the Board appropriate \$60,000 for the initial phase of Carven Street Park from the General Fund Balance. We also recommend that the Board approve a borrowing from the Electric Fund Balance to fund the replacement of the air circulation and dehumidification system in the pool area of the Recreation Center. The system has been broken for over seven years and the humidity and chlorine are beginning to corrode the roof frame. The actual price of the project will be determined through bid, but the engineer's estimate is \$700,000 The General Fund will repay the Electric Fund with interest in the same manner as it would a private sector borrowing. We also recommend that the Board use \$180,000 from the General Fund Balance to purchase a cab and chassis for a garbage truck. The cab and chassis should last approximately twenty years, so it is considered a long-term asset.

Water Fund

We recommend a budget of \$3,348,660. We do not recommend a rate increase for the upcoming year. The fund has experienced a .97% increase in revenue over the past year. Major capital projects are \$150,000 for distribution line replacements, \$30,000 for the repainting of the Reservoir Tank, \$65,000 for a F250 Crew Cab truck and \$13,000

Page 5. 2019-20 Budget Message

for a "light tower" to be used while repairing water leaks at night. A second capital project is a carryover from the previous year, the replacement of the Chestnut Walk Water Tank. The tank is in extremely poor condition and will fail if it is not replaced. We recommend a budget of \$400,000 to cover the entire project. The project has been designed and is ready to bid. We have encountered land acquisition issues and are on hold until those issues can be resolved. The project will be funded through the Water Fund balance.

Due to pending retirements, and the necessity to have state certified positions within our Water Treatment facility, we are recommending a new entry level position be added to allow one existing operator to perform the required duties of a senior operator for the term of one year as required by the state. This will lead to an over-hire for several months in the upcoming budget year.

Sewer Fund

The Town has experienced numerous violations of its "National Permit Discharge Elimination System" (NPDES) permit over the past twelve months. One of the violations was the result of increased salinity in Giles Chemical's waste stream. That violation has been dramatically reduced thanks to the cooperation of Giles. The other violations involve solids passing through the plant and into the river and excessive inflow from rain events flooding out the plant and outfalls leading to the plant. These violations are due to the deterioration of the inner workings of the plant and line failures in the collection system. The State Department of Environmental Quality (DEQ) is requiring the Town to enter into a civil contract with them to completely renovate the plant or face a moratorium on further connections to the system. The contract or "Special Order of Consent (SOC)" will establish a five-year process that will lead to an estimated \$17,400,000 renovation of the plant and repair of damaged outfalls. The Town Board has engaged a consultant to seek a combination of grants and loans to fund the renovations. The State and or USDA will require the Town to have an income stream that will pay the debt service. This will result in several years of rate increases. We are recommending a 10% increase in sewer rates for 2019-20. This will result in a \$4.00 per month increase in the average bill for a Waynesville customer. As the Town moves into the full debt service cycle it will need to increase rates several times over the next decade.

To comply with DEQ's request that we attempt to locate points where storm water is penetrating our sewer lines we are requesting the Board fund a camera system, carry out smoke testing of potential areas of inflow, installing plastic liners in failed lines and outright replacement of sections of lines that are beyond repair. These items amount to \$172,000.

Electric Fund

The Town experienced a moderate winter and the Electric Fund revenues were enough to fund its needs. We will not request a rate increase in the upcoming year. Mr. Caldwell has been monitoring the impact of the 5% electric rate increase since the Town implemented it in January. Our budget recommendation for 2019-20 is \$9,568,900, a (1.56%) decrease over last year. The major project we recommend the Board fund in

FY 19-20 is the installation of decorative light fixtures on Walnut and N. Main Streets as part of DOT's project to construct a round-about. We will be moving the current location of the power infrastructure from the new right of way of the round-about early in 2020. DOT will bear that expense. The Town will be required to bear the cost of lighting the new roadway and sidewalks which we estimate to cost \$160,000. We recommend that you fund this project from the Electric Fund Balance. The Board was presented a plan at the May 14th meeting to discuss alternative lighting plans for this project as well as the Russ Avenue corridor.

Asset Management Fund

The Asset Management Fund is an internal service fund that charges out its services to the operating departments. We propose a budget of \$1,615,930 which represents a (28.65%) decrease from the previous year. The decrease is due to a drop-in capital spending over 2018-19, a new computer services contract and redistribution of several personnel to the Recreation Department.

Garage Fund

Garage Fund is another internal service fund whose budget is determined by the percentage of vehicles allocated to the operating departments. We recommend a budget of \$667,670 for 2019-20, a (2.04%) decrease including capital. The additional employee and scheduling system have reduced repair times and the division is operating with less backup. We do not recommend capital purchases in this division for the upcoming year.

Conclusion

The proposal that is before you is a "maintenance of service" budget. It represents a "decrease" in spending from the current amended budget. The Town does not have excessive funds in its saving accounts to fund major projects. Major initiatives will require issuance of debt to bring them to fruition. One of the challenges that the newly elected Board will face will be to determine which of the many capital projects recommended by the staff and community organizations the Town will choose to fund

Web Address: www.waynesvillenc.gov

Page 7. 2019-20 Budget Message

and undertake in the next four years. The Town is experiencing more growth than it has seen since the recession of 2008 and that new tax base will hopefully fund increases in the Town's operating budget. One of Waynesville's challenges is to fund a tourist-based economy of up to 18,000 persons from a tax base that is made up of a community of 10,000. As our "season" moves increasingly to ten months our service levels have become more strained.

Amie Owens and I wish to thank Eddie Caldwell for returning to work as a contract employee to draft this proposal. We also wish to thank the Departments for submitting operating budgets that were equal to or less than last year's requests. The staff of Waynesville is committed to providing a high level of service at a reasonable cost to the Town's citizens.

We appreciate the consideration of the Town Board of Aldermen in reviewing the budget and providing the staff with the tools to provide quality services to the citizens of the Town of Waynesville. We look forward to reviewing this budget with you and receiving your instruction.

Respectfully submitted:

Amie Owens

| | | | |
| A. REVENUES | BUDGETED | EST. ACTUAL | DIFFERENCE |
| | 2018 - 2019 | 2018 - 2019 | |
| | | | |
| Real Estate Taxes - Town | 5,388,050 | 5,476,540 | 88,490 |
| Comment: The current year's tax valuations are higher by \$9,715,898 but the collection percent is running .11% lower than budget estimates. These changes and the expectation that the prior year's collections will be \$48,070 more than budgeted have resulted in the increased revenues. | | j. | 1 24 |
| | | | |
| Real Estate Taxes - Municipal Service District - Downtown Waynesville | 111,060 | 103,170 | (7,890 |
| Comment: The Municipal Service District's tax valuations are expected to be lower by (\$82,810) but the collection percent is running higher by 3.52% compared to budget. These changes and the lower prior year's collections will result in revenues lower than budgeted. However the estimated revenues should be \$1,838 higher than prior year's actual. | | | |
| | | | |
| Motor Vehicle Taxes | 435,440 | 442,580 | 7,140 |
| Comment: The motor vehicles valuations are coming in higher than expected. | | | |
| Motor Vehicle Rental Tax | 24,500 | 28,000 | 3,500 |
| Municipal Vehicle Tax (For any general purpose use) | 49,000 | 31,960 | (17,040) |
| This new revenue source is the result of the \$15 per vehicle charged to any vehicle resident in the town. The amount shown here is the first \$5 that can be used for any general purpose. The remaining revenues must be spent on streets (such as paving). The revenues appears to be lower than expected. Too soon to tell. | | | |
| Tax Refunds and Discounts | (3,500) | (3,000) | 500 |
| Comment: Refunds are issued when people pay property taxes already | | | |
| paid by their mortgage company. | | | |
| Penalties/Interest/Advertising | 40.000 | 47,000 | 7,000 |
| Comment: Higher prior year's tax collections is resulting in higher penalties and interest collected. | | , | 1,000 |
| Local Option Sales Tax - 1 % | 1,144,840 | 1,132,570 | (12,270 |
| Comment: The budget called for (article 39) sales taxes to be around 3.50% higher than the amount estimated to be received from the prior year. However, the actual prior year's last two quarters came in well below the estimates that the current year budget were projected from. As a result the revenue appears to be falling short of budget estimates. | ,,,,,, | 3,700-3,000 | (12)210 |
| Local Option Sales Taxes - 1/2 % | 1,152,670 | 1,156,460 | 3,790 |
| | | | |
| Additional 1/2% Sales Tax to Replace Reimbursements | 585,720 | 602,230 | 16,510 |
| Comment: This is the old article 44 sales tax. It was taken away when the state assumed Medicaid costs from the counties. The municipalities received a hold harmless formula. We budgeted for a 3.5 % increase and estimates are now projecting the increase will be slightly over 4.38%. | | | |
| Privilege License Tax | 0 | 820 | 820 |
| Comment: This revenue has been almost entirely eliminated by the General Assembly. | | | |
| In FY 14-15, this revenue was budgeted to bring in \$138,000. | | | |
| ACCOUNTS OF THE PROPERTY OF TH | | | |

| REVENUES | BUDGET | EST. ACTUAL | DIFFERENCE |
|---|---------|-------------|------------|
| | 447.740 | 440,000 | (2.000) |
| Cable Television Gross Receipts Comment: The trend in cable is to move away from set-top TV providers to streaming services. Our budget called for a drop of (2.25%) but it appears to have dropped more. | 117,740 | 113,860 | (3,880) |
| Post and Wine Toy | 42,640 | 44,140 | 1,500 |
| Beer and Wine Tax Comment: The DOR has indicated that the beer and wine tax distributions from the current year will increase 2.15% from the previous year. | 12,010 | 11,110 | .,,000 |
| Court Facilities Fees | 2,250 | 1,900 | (350) |
| Franchise Taxes | | 1 | 7 |
| Comment: These revenue sources used to grow steadily, but in recent years they have been very unpredictable. In FY 14-15 the state changed the franchise tax (3.0%) to a general sales tax (7.0%). The distribution method also changed. Now the cities only receives a percentage of actual collection that is allocated based on an excise tax share and an ad valorem share of the proceeds. Waynesville experienced significant growth in these revenues related to sales of electricity after the state changed the tax and distribution method with the 2014-2015 fiscal year. Going forward, the telecommunications revenues are expected to decline because of the use of cell phones, more people have dropped their land lines. Electric & Gas revenues will depend on weather & usage. | | | |
| A. Telecommunications | 182,040 | 175,400 | (6,640) |
| Comment: For comparison, FYE 6/30/2009 \$316,654. | | | |
| B. Electric | 603,440 | 653,150 | 49,710 |
| Comment: For comparison, FYE 6/30/2009 \$433,627. | | | |
| C. Natural Gas | 11,640 | 11,880 | 240 |
| Comment: For comparison, FYE 6/30/2009 \$16,799. | | | |
| Powell Bill Revenue | 333,530 | 333,710 | 180 |
| Comment: Powell Bill funds are no longer tied to the gas tax revenues. The General | | | |
| Assembly has instead made the Powell bill a direct appropriation of state dollars. | | | |
| For comparison, FYE 6/30/2008 \$396,634. | | | |
| Municipal Vehicle Tax (For Streets use only) | 98,000 | 63,920 | (34,080) |
| This new revenue source is the result of the \$15 per vehicle charged to any vehicle resident in the town. The amount shown here is the amount that must be used for street purposes (such as paving, etc.). The revenues appears to be lower than expected. However it may be too soon to tell. | | | |
| Solid Waste Tax | 6,890 | 6,990 | 100 |
| Comment: This revenue results from a \$2.00 per ton charge on everything disposed of at the landfill. | · | | |
| Powell Bill Interest Earnings | 960 | 3,090 | 2,130 |
| Comment: Powell Bill fund reserves remain low but we have been seeing a rise in interest earnings. | | | |
| Police Grant - Others | 59,000 | 30,000 | (29,000) |
| Comment: There were not as many grants available as budgeted. | | | |

| Unauthorized Substance Funds | 21,000 | 10,000 | (11,000) |
| Comment: When funds are taken during drug raids or in connection with | | | |
| drug deals/sales, the funds are distributed back to the department involved in | | | |
| the police actions. Funds are not expected to be spent during the current fiscal year. | | | |
| Miscellaneous Grants | 110,865 | 98,620 | (12,245) |

| B. EXPENDITURES | BUDGET | EST. ACTUAL | DIFFERENCE |
|--|-----------|-------------|------------|
| Governing Body | 41,800 | 39,730 | (2,070) |
| Comment: The Town will spend less on operating costs than budgeted in the areas of travel and training, other insurance costs and dues and subscriptions. Cost reductions in this department will be passed along to the other funds. | | | |
| Administration | 200,240 | 183,210 | (17,030) |
| Comment: Operating expenditures such as professional services, travel, training and postage are being estimated as less than budgeted and makes up half the total savings. The other half of the total savings are found in personnel costs. Here, the part time and the health and wellness expenditures are less than planned. Any savings in this department will be passed along to the other funds. | 200,210 | | |
| Finance Demonstrate | 226,000 | 203,060 | (22,940) |
| Finance Department Comment: Wages and fringe benefits are below budget mainly due to temporary vacancies and a new position not yet hired. Just as it is done in the Governing Body and Administration departments, any savings in this department will be passed along to the other funds. | 220,000 | 200,000 | (22,010) |
| Police Department | 5.098,050 | 4,969,870 | (128,180) |
| Comment: The majority of the difference (\$69,240) is in the personnel and fringe benefits costs and the main reason these costs are lower is due to temporary vacancies. Most of the remaining differences (\$39,050) can be found in the operating expenditures. The department is seeing lower garage costs, lower equipment repair & maintenance costs and lower equipment rentals. Much of the remaining total savings are the result of reduced allocated internal service costs (\$18,390). | | | |
| | 20.000 | 40,000 | (40,000) |
| Miscellaneous Police Grants Comment: State and federal government grants were not as plentiful. | 80,000 | 40,000 | (40,000) |
| Fire Department | 1,953,850 | 1,846,040 | (107,810) |
| Comment: Personnel and fringe benefits are expected to be (\$107,870) lower due to temporary vacancies, lower volunteer costs, savings from employee retirement and the reduced costs on their related fringe benefits. | | | |
| | | | |
| Streets and Sanitation Comment: Personnel and fringe will be (\$212,630) lower due to temporary vacancies or employee turn over. The other reasons for the savings can be found in lower operating costs (\$44,660). Here garage costs, electrical costs, and tipping fees are expected to be lower. And as seen in other departments, much of the remaining savings are the result of lower allocated internal service costs (\$16,690). | 2,931,740 | 2,657,730 | (274,010) |

| Water Charges Comment: As a reminder, the Town chose not to increase water rates in our 2018-2019 budget. The full year revenues are expected to be less than budgeted. Perhaps, one of the main reason for the revenue short fall is associated with the high rain fall the area has experienced over the past year. Or another reason for the possible drop in revenues, can be associated with our customers replacing older appliances such as dishwashers, washing machines and toilets with newer water saving versions. | 3,010,000 | 5,000,000 | (00) |

| comment: The sewer fund increased rates 3% this year. Since most of our sewer charges that are being billed is based on water consumption, I would expect the sewer revenues to be slightly under budget based on the results of the revenues in the Water Fund, however, the other major source of our sewer charges comes from a sewer meter from a local sanitary district. And during times of rain, any infiltration problems on the customer's side of the meter will result in higher sewer bills. During the past year, the town has experienced a number of extended periods of rain. Because of this, I am projecting sewer revenues to exceed budget. | | 7 2 | |

I. GENERAL FUND

| A. REVENUES | BUDGETED | PROPOSED | DIFFERENCE |
|---|-------------|-------------|------------|
| | 2018 - 2019 | 2019 - 2020 | DIFFERENCE |
| Real Estate Taxes - Town The proposed budget maintains the tax rate at 49.57 cents per hundred and calls for a Town billed collection rate at 95.89%. The Town's real and personal property values (excluding motor vehicles) are expected to increase \$1,986,954 from the prior year's budgeted values. Each penny of the tax rate at a 95.89% collection rate will raise an additional \$106,349 in this line item. | 5,388,050 | 5,389,810 | 1,760 |
| Real Estate Taxes - Municipal Service District - Downtown Waynesvill The taxes collected in this line item are turned over to the Downtown Waynesville Association. The proposed budget keeps their tax rate at 20 cents per hundred. | 111,060 | 113,930 | 2,870 |
| Motor Vehicle Taxes | 435,440 | 444,460 | 9,020 |
| As stated earlier, the proposed budget maintains the tax rate at 49.57 cents per hundred. The motor vehicles valuation is budgeted to increase \$1,373,481 from the prior year's budget values. Each penny of tax at a 99.99% collection rate will raise an additional \$8,922 in this line item. | | 2 | |
| Municipal Vehicle Tax (For any general purpose use) | 49,000 | 38,000 | (11,000) |
| This new revenue source is the result of the \$15 per vehicle charged to any vehicle resident in the town. The amount shown here is the first \$5 that can be used for any general purpose. The remaining revenues must be spent on streets (such as paving) and is shown in restricted revenues grouping and follows the Powell Bill line item. The revenues appears to be lower than expected. Too soon to tell. | | | |
| Motor Vehicle Rental Tax | 24,500 | 28,000 | 3,500 |
| Tax Refunds and Discounts Refunds are issued when people pay property taxes already paid by their mortgage company. | (3,500) | (3,500) | 0 |
| Penalties/Interest/Advertising | 40,000 | 41,000 | 1,000 |
| As people have paid back taxes in the past couple of years, the town collected higher penalties and interest. As the collection rate improves, late penalties and interest should decline or show little or no change. | | 1 | |
| Local Option Sales Tax - 1 % We are estimating article (39) sales tax to grow at a 3.50% increase from the prior year's actual to finish the current year FY 18-19 out. For FY 19-20, we are estimating an additional growth of 3.50 % from current year estimates. | 1,144,840 | 1,172,210 | 27,370 |
| Local Option Sales Tax - 1/2 % | 1,152,670 | 1,196,830 | 44,160 |
| We are estimating article (40) to grow at 3.50% and article (42) to grow at 3.50% from the prior year's actual to finish the current year FY 18-19 out. For FY 19-20, we are estimating an additional growth of 3.50% for article (40) and 3.50% for article (42). | | | |

| REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|--|-------------------------|-------------------------|------------|
| Additional 1/2% Sales Tax to Replace Reimbursements The old article (44) has been replaced with a "city hold harmless payment". We are projecting the remaining payments to grow at 3.50% from the prior year's actual to finish the current year FY 18-19 out. For FY 19-20, we are estimating an additional growth of 3.00%. | 585,720 | 620,200 | 34,480 |
| Privilege License Tax These revenues have been eliminated by the General Assembly. | 0 | 0 | 0 |
| Cable Television Gross Receipts The continued overall decline in this revenue is primarily attributable to cable TV customers cutting the cord in favor of streaming services. The FY 19-20 budget is using the FY 18-19 estimated actual less a .50% drop. | 117,740 | 113,290 | (4,450) |
| Beer and Wine Tax We are using a 1.00% increase form FY 18-19 estimates. | 42,640 | 44,580 | 1,940 |
| Court Facilities Fees | 2,250 | 2,250 | 0 |
| Franchise Taxes These revenue sources used to grow steadily, but in recent years they have been very unpredictable. Also in FY 14-15 the state changed the franchise tax (3.0%) to a general sales tax (7.0%). The distribution method also changed. Now the cities only receives a percentage of actual collection that is allocated based on an excise tax share and an ad valorem share of the proceeds. | - | | |
| A. Telecommunications We are dropping the current year's estimated collections by (3.90%) to come up with the FY 19-20 budget. The (3.90 %) drop is being used due to the fact that more customers are dropping land lines and going solely mobile. | 182,040 | 168,560 | (13,480) |
| B. Electric | 603,440 | 659,680 | 56,240 |
| This revenue is now very unpredictable due to weather, consumption, and price. Not to mention utility refunds processed by the state. Proposed budget is projecting a 1% increase from 2018-2019 estimated projection. | | 4 | *- |
| C. Natural Gas Here again weather and price are the most likely factors. The proposed budget is projecting a (1.3%) decrease from 2018-2019 estimated projection. | 11,640 | 11,730 | 90 |
| Powell Bill Revenue Powell Bill funds are no longer tied to the gas tax revenues. The General Assembly has instead made the Powell bill a direct appropriation of state dollars. For comparison, FYE 6/30/2008 \$396,634. | 333,530 | 329,230 | (4,300) |
| Municipal Vehicle Tax (For Streets use only) This new revenue source is the result of the \$15 per vehicle charged to any vehicle resident in the town. The amount shown here is the amount that must be used for street purposes (such as paving, etc.). The revenues appears to be lower than expected. However it may be too soon to tell. | 98,000 | 76,000 | (22,000) |
| Solid Waste Tax This results from a statewide \$2.00 per ton charge on everything disposed of at the landfill. | 6,890 | 6,990 | 100 |

| REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|---|-------------------------|-------------------------|------------|
| Powell Bill Interest Earnings The Powell Bill fund's reserves are expected to drop to zero during the year. | 960 | 920 | (40) |
| Police Grant - Others | 59,000 | 59,000 | 0 |
| Unauthorized Substance Funds When funds are taken during drug raids or in connection with drug deals/sales, the funds are distributed back to the department(s) involved in the police actions. | 21,000 | 21,000 | 0 |
| Miscellaneous Grants The majority of these funds are for a bridge at the Recreation Park. | 110,865 | 146,550 | 35,685 |
| Sale of Fixed Assets - Powell Bill Items We do not anticipate the sale of any pieces of equipment which were purchased with Powell Bill funds. | 0 | 0 | 0 |
| Building Permits We are expecting building permits to remain steady or improve. | 105,000 | 110,000 | 5,000 |
| Planning Fees Requests for special permits or subdivisions review have been low, but as development is on the rise, we anticipate more activity in this area. | 3,000 | 8,000 | 5,000 |
| Rezoning and Annexation Fees We expect to see some requests for changes in the coming year. | 1,000 | 1,000 | 0 |

| Civil Penalties from Code Enforcement The use of civil penalties is one of the final steps in the code enforcement process. | 1,500 | 1,500 | 0 |
| Connection and Reconnection Fees | 75,000 | 75,000 | 0 |
| | | | |
| Late Payment Penalties Although the economy is improving, there are still those who run late with service payments and must pay late payment penalties. | 25,000 | 25,000 | 0 |
| Street Performer Fees | 150 | 150 | 0 |
| Police Contract Services These revenues are for contract police services, which includes funds for the School Resource Officers at the Waynesville Middle School and at the Shinning Rock Classical Academy School. | 55.7 | 121,500 | 4,500 |

| REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|---|-------------------------|-------------------------|------------|
| Fire Protection Charges These are fees and taxes paid by users who are located outside town limits but receive fire protection from the Town. All these fees or taxes are being collected by the County and sent to Town. | 330,000 | 347,400 | 17,400 |
| Commercial Sanitation Fees With past rates, the town lost some customers and as a result the town dropped the Sanitation fees for dumpsters 25% effective April 1, 2015. These fees now appears to be dropping again as private haulers are picking up our customers again. | 277,880 | 270,000 | (7,880) |
| Residential Sanitation Fees Sanitation fees will not change in 2019 - 2020. | 485,000 | 475,000 | (10,000) |
| Solid Waste Containers - Rental | 25,100 | 24,000 | (1,100) |

| Recreation - Program Fees at Armory | 10,000 | 12,500 | 2,500 |
| Recreation - Rentals Collected at Armory | 9,200 | 5,000 | (4,200) |

| REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|--|-------------------------|-------------------------|------------|
| Recreation - Child Care | 0 | 0 | 0 |
| Recreation - Commissions on Vending Machines The Town moved out of the vending machine business and collects a share of the profits from the machines placed here by others. | 3,000 | 2,000 | (1,000) |
| Recreation - Proceeds from Concessions We receive a small amount from the sale of items at the center. | 2,000 | 1,500 | (500) |
| Contributions/Donations - Police | 0 | 0 | 0 |
| Contributions/Donations - Recreation | 0 | 0 | 0 |
| Community Foundation Donation | U | υ | υ |
| When the Recreation Center was started, a special fund was established to receive donations. This fund normally provides a small revenue from interest earnings, but in most years there are little if any earnings. | | | |
| Memorials | 20,000 | 20,000 | 0 |
| Trees, benches, artwork, etc. can be purchased in honor of another individual or event. The revenue is offset by the purchase of the items. | | | |

| Parking Tickets More and more second floor residents are parking on Main Street and we have increased parking enforcement to try and curtail some of that parking. | 100 | 100 | 0 |
| Noise Ordinance Violations This is a fine for excessive noise and may be paid much like a parking ticket. | 100 | 100 | 0 |

| REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|---|-------------------------|-------------------------|---------------|
| Cash - Over and Short | 0 | 0 | 0 |
| Bad Check Charges Investment Earnings | 2,000 34,210 | 2,800 58,850 | 800 24,640 |
| Interest rates are rising form historical lows and the budget is finally realizing more income from interest rates increases. | | | |
| ABC Store Sales Distribution With the expense of constructing a new ABC Store near Wal-Mart, there was a drop in this revenue source but in FY 14-15 the store distributions started back again. The budget is expecting the FY 19-20 revenues to match the FY 18-19 estimated collections. | 93,100 | 92,500 | (600) |
| ABC Distribution - Law Enforcement | 17,130 | 20,460 | 3,330 |

| Transfer from Water Fund The Town no longer transfers funds from the Water Fund to the General Fund. | 0 | 0 | 0 |
| Transfer from Sewer Fund The Town no longer transfers funds from the Sewer Fund to the General Fund. | 0 | 0 | 0 |
| Transfer from Electric Fund In 2010-2011, the Electric Fund was in great health, and we recommended a larger annual transfer. We may need to look more closely at that amount in coming years. The tax rate needed to replace this revenue would be a little over 10 and 1/2 cents. | 1,275,600 | 1,275,600 | 0 |
| Transfer from Cemetery Fund The 2018-2019 budget included an amendment to purchase property at Green-Hill Cemetery. | 100,000 | 0 | (100,000) |
| Fund Balance Appropriated-Powell Bill | 104,780 | 88,720 | (16,060) |
| As stated earlier, Powell Bill reserves are expected to be spent to zero during the FY 2019-2020 budget. | | | |
| Fund Balance Appropriated Fund Balance is appropriated each year to balance the budget, and at the end of the year we use only what is required to match the actual expenditures. We are budgeting to use (\$368,770) less than the prior year's amended budget. \$180,000 of this fund balance appropriation will help purchase a cab and chassis for a garbage truck. | 891,760 | 522,990 | (368,770) |
| TOTAL GENERAL FUND REVENUES | 15,449,575 | 15,147,270 | (302,305) |

| B. EXPENDITURES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|--|-------------------------|-------------------------|------------|
| Note to readers of the proposed FYE 2019-2020 budget comparison vs the FYE 2018-2019 budget. The FYE 2019-2020 budget contains a 1.5% career track adjustment for each department, an estimated 26.2% hike in health insurance premiums and an increase to the State pension contributions. As such, every department's personnel and fringe benefits will see increases associated with the career track adjustments, the higher health insurance premiums and the higher pension contributions. Other costs such as general insurances costs for workers compensation, and auto insurance costs will be lower in all departments. The other major items that causes reductions in all departments can be seen in the allocation of internal service costs (Asset Service Management). Here, the savings from a new computer service contract and the move of positions from public facilities to recreation are the main drivers behind the cost savings seen to each department. | | | |
| Governing Body | 41,800 | 45,040 | 3,240 |
| The personnel and fringe benefits costs reflects an increase of \$21,130. This increase is caused by a possible over lap in pay due to the elections, a change in an health insurance policy and as stated earlier, the higher health insurance premiums. Offsetting the increase is a reductions in operating costs (\$890), in internal service costs (\$3.500) and higher allocation to the other funds (\$13,500). The board, administration and finance expenditures are consider joint expenditures of all the funds and therefore are being allocated to all funds. These joint expenditures are being charged to the other funds primarily based on a estimated % of time and expenditures spent in each of the respective funds (General, Water, Sewer, and Electric Fund). One other point to note, the operating costs includes \$15,000 ins estimated election's cost. | | | b1 |
| Administration | 200,240 | 185,390 | (14,850) |
| The personnel and fringe benefits increased \$14,100 due to career track, health insurance costs and pension contributions increases. Operating expenditures, loan payments, charges to other funds and allocated internal service costs are expected to drop by (\$4,710), (\$14,460), \$11,540 and (\$21,320) respectively. As stated in the Governing Body above, the charges to other funds are consider joint expenditures of all the funds (Governing Body, Administration, and Finance) and therefore are being allocated to all funds. These joint expenditures are being charged to the other funds primarily based on a estimated % of time and expenditures spent in each of the respective funds (General, Water, Sewer, and Electric Fund). | | | |
| Finance Department | 226,000 | 242,540 | 16,540 |
| The personnel and fringe benefits increases are \$136,010. An additional meter reader \$56,550 (wages and benefits) and the addition of part time expenditures \$50,000 are included in these increases. The remaining difference is due to career tack, higher health insurance premiums and increase pension contributions. Operating expenditures are expected to rise \$7,400 due to increases in accounting fees and higher equipment repair and maintenance fees. Capital increase \$10,000 to purchase a use vehicle for the new meter reader. Offsetting these expenditures to the general fund is a higher charge to the other funds for their share of the joint costs and a lower allocation on the internal service costs. | | | |

| B. EXPENDITURES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
|--|-------------------------|-------------------------|------------|
| Police Department Personnel and fringe benefits are up \$240,600. This increase includes a new police officer estimated at \$74,990. The remaining difference is made up of career track, higher health insurance premiums and higher pension contributions. Operating expenditures will be down (\$16,270) mainly due to lower auto insurance costs. Capital purchases are down (\$126,800). There are no capital items remaining in this budget. Loan payments and internal service costs are down are down (\$135,630) and (\$153,880) respectively. | 5,098,050 | 4,906,070 | (191,980) |
| Miscellaneous Police Grants We anticipate some State and Federal government grants in FY 19-20. | 80,000 | 80,000 | 0 |
| Fire Department Personnel and fringe benefits are up \$61,300. Operating costs increase \$32,960 which is mainly due to professional services for a new hydraulic modeling project. Capital costs are down (\$50,100). There are no capital items remaining in this budget. Loan payments are down (\$22,000) and internal service costs are down (\$53,690). | 1,953,850 | 1,922,320 | (31,530) |
| Streets and Sanitation Personnel and fringe benefits are up \$61,960. Operating costs decrease (\$48,590) which is mainly due to professional services, materials, and vehicle insurance. Capital costs increase \$9,280 which includes a new \$180,000 cab and chassis for a garbage truck. Internal service costs are down (\$83,220). | 2,931,740 | 2,871,170 | (60,570) |
| Powell Bill As stated earlier, the Powell Bill Fund balance or reserve is expected to drop to zero during the FYE 2019-2020. The major items of this budget is paving \$310,000, bridge maintenance \$75,000 and sidewalks \$50,000. | 505,000 | 505,000 | 0 |
| Cemetery Personnel and fringe benefits increases \$610. Operating costs increase \$17,230 which includes increases in professional services, materials, and contract services. | Parks and Recreation | 2,461,775 | 2,632,500 | 170,725 |
| Personnel and fringe benefits are up \$197,390. The majority of this increase is due to the transfer of positions from Public Facilities to Recreation. The increase associated with the transfer of positions here will be a decrease in the Asset Services Management Fund. The remaining difference is due to career track, health insurance premiums and pension contributions. Operating expenditures increase \$60,375. Half of this increase is due to expenditures that were recorded in Asset Service Management last year that are now being budgeted in Recreation and the other half is increases in professional services and grant expenditures. Capital expenditures increase \$167,850. Capital includes a bridge at recreation park, new ADA compliant bathrooms, Craven Street Park improvements and HVAC units at the recreation center. Loan payments will be down (\$181,570). The recreation center was paid off in November 2018! Internal service costs decrease (\$56,320). The budget is also proposing that the Electric Fund loan the General Fund the amount needed to replace the dectron unit and add an air evacuator system for the pool. | | | |

| Note to readers of the proposed FYE 2019-2020 budget comparison vs the FYE 2018-2019 budget. The FYE 2019-2020 budget contains a 1.5% career track adjustment for each department, an estimated 26.2% hike in health insurance premiums and an increase to the State pension contributions. As such, every department's personnel and fringe benefits will see increases associated with the career track adjustments, the higher health insurance premiums and the higher pension contributions. Other costs such as general insurances costs for workers compensation, and auto insurance costs will be lower in all departments. The other major items that causes reductions in all departments can be seen in the allocation of internal service costs (Asset Service Management). Here, the savings from a new computer service contract and the move of positions from public facilities to recreation are the main drivers behind the cost savings seen to each department. | | | |
| Water Maintenance Personnel and fringe benefits are up \$28,600. Operating costs decrease (\$75,290). The two items that account for most of the lower operating costs are found in professional services and materials. Capital costs, loan payments, and internal service costs decrease (\$287,000), (\$1,000) and (\$33,150) respectively. | 2,087,830 | 1,719,990 | (367,840) |
| Water Treatment Personnel and fringe benefits are up \$93,630. This increase includes a new position. The new position estimated at \$62,790 is an over hire to prepare for an up and coming retirement. Operating costs increase \$21,680. This increase in operating expenditures is due to an increase in plant general repairs and maintenance. Capital costs and internal service costs decrease (\$358,500) and (\$60,680) respectively. | 1,483,870 | 1,180,000 | (303,870) |

|---|-------------------------|-------------------------|------------|
| A. REVENUES | BUDGETED 2018 - 2019 | PROPOSED 2019 - 2020 | DIFFERENCE |
| Electric Charges The propose budget does not increase electric rates. While this revenue can be somewhat unpredictable due to weather, and customers' consumption, the proposed budget drops revenues due to the lost of a major power customer (a grocery store with annual power consumption | 8,885,800 | 8,774,900 | (110,900) |
| around \$180,000 a year). Security Lights Rates will remain the same and revenues should as well. | 51,200 | 51,200 | 0 |
| Street Lights | 129,250 | 129,250 | 0 |
| Underground Service Installation These revenues are the result of charges for underground service. | 2,000 | 2,000 | 0 |
| Renewable Charge Revenue This is a pass-through charge, required under NC Senate Bill 3 to assist | 52,800 | 52,800 | 0 |
| power providers in meeting the 12.5% renewable energy requirement. Electric Pole Rental These are charges made to other utilities for use of Town poles. | 13,950 | 19,970 | 6,020 |
| Sales Tax Charges The General Assembly repealed the 3% tax rate applied to gross receipts on electricity and replaced it effective July 1, 2014 with a combined general sales tax of 7%. Manufacturing sales are exempt from this sales tax. All revenue billed and collected will be sent to NC Department of | 447,840 | 465,070 | 17,230 |
| Revenue for distribution. Miscellaneous Revenues | 3,000 | 3,000 | 0 |
| Sale of Fixed Assets We do not expect to have many surplus items to sell in 2019 - 2020. | 0 | 0 | 0 |
| Investment Earnings As a result of the Fed raising interest rates, the Town has realized higher Investments earnings. | 9,690 | 22,270 | 12,580 |
| Fund Balance Appropriated This is the amount needed from reserve to balance the budget. If the town draws too much from the reserves it will no longer be able to transfer the \$1,275.600 to the General Fund. The budget is also proposing that the Electric Fund loan the General Fund the amount needed to replace the dectron unit and add an air evacuator system for the pool. | 125,280 | 48,470 | (76,810) |
| TOTAL ELECTRIC FUND REVENUES | 9,720,810 | 9,568,930 | (151,880) |

| Electric Maintenance Personnel and fringe benefits increase \$13,290. Operating costs decrease (\$14,130). This drop was mainly due to a drop in material and supplies. Capital costs, and internal service costs decrease (\$175,000) and (60,450) respectively. Capital includes \$160,000 for a lighting project on Walnut Street and North Main Street. | 1,803,680 | 1,577,390 | (226,290) |
| Purchased Power The town is on a new power supply contract and will need some additional time and some additional history before we will be more comfortable predicting power costs going forward. This line items includes purchase power, professional services used for peak shaving advise, generation rental, and fuel costs. | 5,350,690 | 5,347,700 | (2,990) |
| Renewables Energy Payment: Under NC Senate Bill 3, every electric provider must generate 12.5% of electricity from renewable resources by 2021, and are allowed to charge an extra fee to support these resources. This account cover the renewables purchased and the professional services needed to stay in compliance with the State's regulation concerning the renewable resources. | 120,000 | 120,000 | 0 |
| Sales Tax on Purchased Power This account should now match the sales taxes collected from our electric customers. In the past, towns were given a municipal electricity deduction that allowed the Town to keep some of the sales tax revenues being collected. | 447,840 | 447,800 | (40) |

| Transfer to General Fund The Electric Fund has traditionally provided a subsidy or profit-sharing to the General Fund. The current amount transferred is equal to a tax rate increase of over 1 and 1/2 cents. We will need to watch this transfer amount closely in the years ahead to see if the Electric fund can continue to provide this much money. | 1,275,600 | 1,275,600 | 0 |

NOTE: RETIREMENT & 401(k) CONTRIBUTION

In 1986, the North Carolina General Assembly began requiring that local governments pay 5% of a law enforcement officer's salary into a 401(k) program. At that time, many cities argued that to treat law enforcement officers differently than other employees was unfair and the General Assembly should not get involved in employee fringe benefits, but the law passed anyway. In the aftermath, many local governments began contributing 5% to a 401(k) Plan for all employees, not just police officers. Waynesville could not afford to do that at that time.

In the 2003-2004 budget, the Board voted to correct this inequity. On January 1, 2004, the Town began making a contribution of 3% of employees' wages to a 401(k) program for the full time town employees who are not law enforcement officers. In the 2004-2005 budget, the Board voted to increase that contribution from 3% to 5% of employees' wages to a 401(k) Program. This puts all full time employees on the same level of fringe benefits.

In 1977, Waynesville joined the Local Government Employees Retirement System. All employees at that time got credit for whatever years of service they had with the Town. To pay for those years of service, for a specific period of time, Waynesville has to pay approximately 3.36% extra annually into the retirement system to take care of accrued liability. That is why the percentage of retirement contributions to the retirement system fluctuates each year. On December 31 2004, Waynesville completed paying off all of the accrued liability, and the contribution to the retirement system dropped to approximately 5%. The Town Board voted to use these savings to make the 5% contribution to the 401(k) program for the rest of the Town employees.

| Sewer Capacity Fee - effective July 1, 2018 | | 连续的现在分词 |
| Per Gallon per Day | 21 | \$3.05 |

In addition to the tap fee, new connections to the sewage system of the Town of Waynesville shall pay a sewer capacity fee based on wastewater design flow rate determined from the table of minimum allowable design daily flow in 15A NCAC, 02T.0114 of the Environmental Management regulations contained in the North Carolina Administrative Code.

For the tributary sewer systems of Junaluska Sanitary District, Town of Clyde or Maggie Valley, wastewater flow allocation letters will be charged the sewer capacity fee at the outside rate. Lake Junaluska Assembly will be charged the sewer capacity fee for flow allocation letters at the inside rate (in consideration of their participation between 1942 and 1990 in the costs of sewer trunk and treatment plant facilities). The minimum flow rate is 240 GPD.

It is the policy of the Town of Waynesville to establish a schedule of "System Development Fees in accordance with Article 8 of Chapter 162 of the North Carolina General Statutes. The fees are intended to defray the cost of the water and sewer infrastructure as calculated in a report by McGill Associates dated March, 2018 and titled "Cost-Justified Water ands Wastewater System Development Fees Report". *Equivalent flow rates will be per the North Carolina Administrative Code 15A: NCAC 18C.0409 and NCAC 02T.0114 (Authority NCGS 130A-315; 103A-317)

Electric Fund

Electric Rates

Waynesville's electric rates are reviewed and adjusted monthly based on power costs billed by town's supplier for wholesale rates. Monthly reviews will determine fuel adjustments to be added to based rates shown below. All rates are effective August 1, 2018.

All electric sales are subject to a 7% sales tax imposed by the State of North Carolina, with the exception of electric sales to the State of North Carolina or United States government, which are exempt from the sales tax.

Residential & Commercial fuel adjustment added to base rate as of January 1, 2018 is \$ 0.00000 per kWh.
