

Job Posting

Date: March 8, 2023

Position Utility Maintenance Specialist, WATER/SEWER Maintenance

Hours: Monday – Friday 7:00 a.m. – 4:00 p.m.
(Must be able to respond to on call situations and emergencies related to Water & Sewer Department, as needed)

Salary: \$32, 278.93 annually/\$15.51 hourly with 5% increase after successful 6-month probation

Individual in position performs semi-skilled and skilled work in the installation, repair and replacement of water and sewer lines, treatment facilities and related appurtenances, and to perform related work as required.

ESSENTIAL TASKS

The tasks listed below are those that represent the majority of the time spent working in this class. Management may assign additional tasks related to the type of work of the class as necessary.

Operates tapping machine to make water and sewer taps and service connections

Lay water and sewer pipe; adjusts pipe to proper grade and depth with laser; repairs and replaces sewer and water lines and related facilities.

Installs, services and tests water meters and meter yokes.

Operates sewer jet and/or rudder to unstop sewer lines

Operates belt press to de-water bio-solids for disposal; ensures proper mix of chemicals.

Assists with meter installation, change-out and related tasks; assists with plumbing maintenance and repair work such as the installation and repair of fixtures and pipes.

Installs repairs and replaces fire hydrants, meters, valves, clamps, and related pipeline apparatus; sets meter boxes.

Assists in cleaning up work sites at project completion; replaces landscaping damaged in construction projects, including sowing grass seed, and installing shrubbery.

Operates a front-end loader, dump trucks, jack hammers, tampers, pipe threading machines, tapping machines, trenchers, air compressors, boring machines, etc.; uses hand and power tools.

CLASS TITLE: UTILITY MAINTENANCE SPECIALIST

Inspects equipment for proper and safe working condition; performs minor maintenance of assigned tools and equipment as needed.

Performs all work in accordance with applicable policies, procedures, and standards of quality and safety.

Receives and responds to inquiries, complaints, and requests for assistance from customers and the public regarding areas of responsibility.

Attends meetings, training, seminars, etc., as appropriate to enhance job knowledge and skills
