

METER READER

Job Posting

Date: 08/29/2019

From: Human Resources Department

Position: Meter Reader

Salary: \$24,960/\$12.00hr. With 5% increase after a successful 6mth probation

GENERAL DESCRIPTION OF CLASS

The purpose of the class is to read electric and water meters, to service meters, to maintain accurate recording of consumption to facilitate proper billing, and to perform related technical and clerical work as required. This class works according to some procedures but decides how or when to do things; work is reviewed regularly by supervisor.

ESSENTIAL TASKS

The tasks listed below are those that represent the majority of the time spent working in this class. Management may assign additional tasks related to the type of work of the class as necessary.

Reads electric and water meters on assigned route.

Records readings on hand-held computer; takes readings to appropriate office at end of work day.

Cleans out meter boxes as needed; reports improperly installed or defective meters.

Cuts service on and off as directed.

Assists in investigating potential water theft; may testify in court regarding meter tampering cases.

Maintains assigned vehicles and equipment.

Performs all work in compliance with applicable policies, procedures, laws, regulations, and standards of quality and safety.

Receives and responds to inquiries, complaints and requests for assistance from customers and the general public regarding areas of responsibility.

Prepares and submits detailed work records and reports.

Performs general clerical work as required, including but not limited to copying and filing documents, answering the telephone, completing forms, etc.

METER READER

Attends training, meetings, etc., as required to enhance job knowledge and skills.
