

# Pigeon Street Water Replacement Project

Project: #23001

## Important REBID Information

1. This is a unit price contract, awarded to the lowest, responsive, responsible, bidder.
2. This project is on an NCDOT roadway and is being funded in part by Federal Funds. All State/Federal requirements for paperwork/construction must be met.
3. Please read the Instructions to Bidders (Pages 4-18). This will give you information on how to submit a responsive bid.
4. A bid security (Bid Bond) is required for this project. It shall be sealed in its own envelope.
5. Submit the entire Contract in your bid package (All 200+ pages) in its own envelope.
6. Please read the Project Special Provisions. This gives specific information about every line item on the Bid Form.
7. The DBE goal for this project is 10.0 % (Read the section starting on page 55). A bid that does not comply with the DBE provision will be considered non-responsive.
8. The Buy America requirements apply to this project (Use of domestic steel and iron products). All materials must also be NCDOT approved.
9. The Forms that must be filled out for your bid are: (Contract Proposal 3, Contract Signature Page 24, Signature Form 111-114, Bid Form 115, Bid Proposal 116, Execution of Bid... 117-124, Bid Bond 125-131, Letter of Intent... 152, Listing of DBE Subcontractors 153, SAF 155-159, E-Verify 161, and Drug-Free Workplace 162.
10. Changes have been made to this REBID of the project to remove the concern over supply chain issues (Difficulty in procuring materials). Please see page 19, Time for Performance.
11. If you bid on this project previously, you will need to reprint a portion of the contract, as it has changed (Dates are different and the previous Addendum is now incorporated into the REBID contract). Please reprint the contract from the Title page through the Notice to Proceed (32 pages). All other pages in the contract are unchanged.
12. Please feel free to contact me with any questions. I want to help you submit a responsive bid.
